Apple Identification

Name:

Address:

Contact no/email address:

Size of orchard:

If you are submitting more than one variety of apple, please place them in separate, numbered bags.

For the best results please supply 3 average fruits per tree, plus leaf if available.

Please note that if you grew your apple tree from a pip, it is a new variety and you can call it whatever you wish!

Apple no	Eater or cooker?	Approx. age of tree?	

This is a voluntary service offered by apple enthusiasts, if we are unable to identify your apples immediately, we may take them to further identification sessions and notify you later by email or telephone.

The RHS and Brogdale both offer a professional (paid for) service.
